# Who is Home from Hospital for?

Home from Hospital is for adults who live in Bradford, Airedale and Wharfedale who are being discharged home and need extra support.

## People we can help include:

- ☉ patients at risk of readmission to hospital
- ☉ people worried about how they will cope when they get home
- ☉ people with dementia and long term conditions
- ☉ people living alone and people living with someone

# How do we help people?

The Home from Hospital team and volunteers ease the process of settling back home. They enable people to regain confidence and independence.

The service includes a home visit to discuss any concerns and immediate needs the person may have and:

- ☉ a basic hamper
- ☉ weekly visits and calls for up to six weeks
- ☉ liaising with health and social care professionals
- ☉ help to access appropriate benefits
- ☉ help to organise ongoing support eg domiciliary services and befriending

## Volunteering

Volunteers are vital to the success of this project. They ensure that local people have support when they need it most.

Could you spare a couple of hours a week to help people returning home after a hospital stay to feel more comfortable and supported?

All our volunteers receive full training and on-going support throughout their work.

**If you would like more information on becoming a volunteer please contact us on:**
