

“I was swamped in caring and I felt completely isolated. I was in a state when I eventually called in and found out about all the options available for me. It's been a real life-saver.”

“I didn't realise I was a carer, I'm just her mum.”

“When I was at my lowest they listened to me for an hour, and for that hour they listened to just me.”

Welcome to

# carers' resource

*you care for them, we care for you*

What support is there for me?

How am I going to cope?

New to caring?

# Are you a carer?

A carer is someone who provides unpaid help and support to a family member or friend who could not otherwise manage, because they are frail, disabled or ill.

**Do you look after someone who couldn't cope without you? Are you new to caring?**

**We understand the impact that looking after someone can have on your health and well being and are keen to support you.**

Carers' Resource is an independent charity supporting adults, children and families who care for someone in Bradford, Craven or Harrogate.

Our services are free, confidential and non-judgmental, helping you find ways to make your caring situation easier.

All our staff understand the emotional and physical strain which looking after someone can involve. We are here to listen, in confidence, to whatever may be troubling you and to offer information and advice on just about every issue you may face – from taking time off to finding out about financial assistance.

**"Before I spoke to Carers' Resource all the focus was on Mum. But Carers' Resource has helped me realise that I matter too. They've helped me work out what I need to keep going"**

**Adewale**

**"I really enjoyed the self care session as it meant I could switch off and immerse myself in the moment and relax. Something that doesn't happen very often when you're a carer."**

**Amina**

**Caring for someone can be very challenging as well as rewarding. To make sure you are getting all the support that you need, we can help you with:**
