

# Helping you to be more confident and comfortable when returning home from hospital

## **This is a FREE service and helps those who:**

- Are aged 18 and over
- Live in Bradford, Airedale and Wharfedale
- Are being discharged to their usual place of residence, following a hospital admission, day procedure or A&E visit

## **We can't support those who:**

- Have complex long term care needs (including addiction and/or moderate to severe mental health issues)
- Only require respite care
- Are discharged to a temporary care setting

**This FREE service can ease a return home, assisting to re-build confidence and independence and preventing hospital re-admission.**
